

QCC SRC NEWS LETTER

No. 2

April Slogan

"SPEAK ENGLISH, PLEASE!"

This is the second slogan that SRC promoted. Since we are in Canada, we should practice our English as much as possible no matter if our friends' first language is English or not. In this month we strongly encourage you to use English, and we also have a few prizes for the students who speak it the most!

- From 9a.m. to 4p.m. except the lunch hour you are all supposed to speak ENGLISH.(^_^)
- Any student who catches another student not speaking English can draw an "X" on his hand. ☹

At the end of April the students who have received the fewest "X's" will receive prizes!!!:)

Appreciation Party

Since we have been in our school, the CBC students have been helping us a lot not only in learning English, but also in learning the culture of Canada. As most of the CBC students are leaving (CBC will move to Calgary after this semester), we, as the QCC student body, would like to say, "Thank You". Delicious snacks, fun games, moving words, and warm hugs are waiting for you at our Appreciation

Party on Wednesday, April 16th at 4:05-5:00!! (Jun Bu)

Cleaning the TV Lounge

Did you notice that there is a list of names on the SRC board? If not, please go, take a look at it and find out where your name is. We ask you to be responsible for cleaning our own Student Lounge. Let's do the cleaning by taking turns. Every one will do the cleaning once in each semester.

This action is strongly recommended by Janet, our Principal, and Evangeline. Many of us go to the TV room for lunch and relax everyday. Let's try to keep this lounge clean for other students. Thank you for your cooperation. (Jun Bu)
